

ASC 2020 DELIVERABLE #6 NARRATIVE – MPR Adds

Upon completion of Level 4 & 5 the Owner has decided that they would like to add multiple Medical Provision Refrigerators (MPR's) to Level 4 & 5. The electrical engineer has provided preliminary sketches of the additional electrical distribution equipment, feeders and branch circuit locations that will be required to provide power for the added MPR's. All additional circuits are to be fed from emergency power source.

Please provide a formal change order with a complete scope letter that captures all additional labor, material and electrical equipment that is shown on the provided markups. The electrical distribution equipment has also been provided.

This deliverable is due by 8PM electronically.
