

**ASC 2020 DELIVERABLE #7 NARRATIVE – Design in Safety**

Throughout the day a number of items have surfaced which would be defined as risk to the project. The attached template should be a compilation of these items as well as the actions taken. Please utilize the provided template to articulate your team's approach to these items.

Instructions and an example are included on the template.

**This deliverable is due by 8PM electronically.**

**Please send (1) combined PDF document for this deliverable to:**

**Mark Stone @ [mstone2@rosendin.com](mailto:mstone2@rosendin.com) and Rob Clark @ [rclark@rosendin.com](mailto:rclark@rosendin.com).**
