| Electrical | Rosendin | Brandon Stephens |
| Concrete Solutions | Sundt Construction, Inc. | Carolina Silvas |
| Alternates Competition | Rudolph & Sletten, Inc. | Jeremy Miller |

Event Purpose and Scope

The ASC Regions 6 & 7 Student Competition provides students with an immersive, real-world construction challenge that must be solved collaboratively within a defined timeframe. Each category presents a rigorous, industry-driven problem designed to reflect current best practices, emerging technologies, and the realities of professional construction practice. Under the leadership of the Region 6 Director, Region 7 Director, and the Competition Manager, ASC Regions 6 & 7 plan and execute a comprehensive competition experience that challenges participants while promoting innovation, teamwork, ethical decision-making, and professional development, ensuring a consistent, high-quality educational experience aligned with industry expectations.
